Autism Voices

in person, in words, in the arts

We are proud to be launching a new initiative - Autism Voices - bringing to life the unheard voices of Autism.

Autism Voices will be an agency managing a 'directory' of people who wish to be a voice in raising awareness of issues faced on a daily basis by people living with Autism Spectrum Conditions. These 'Voices' may personally have a diagnosis of ASC or be carers or family members. They are willing to feed into public events and tell of their experiences and how their life is challenged by Autism thus raising awareness of the issues faced by those on the spectrum. 'Voices' will be heard as public speakers, as creative writers (in print or online) or via the visual arts, eg as an artist, videographer/filmmaker, illustrator or actor. Their services would be offered in return for a fee paid by the organisation booking them. Autism Voices will be managed by IWOR4ME who will recruit interested parties and support 'Voices'.

Places for this event are limited and will be offered on a first come, first served basis. If you would like to attend, please contact [Sue Hope](mailto:sue@iwork4me.org.uk) (Development Manager) on [07702 812987](tel:07702812987) or email sue@iwork4me.org.uk to book your place.

Please note that the last date for booking places is Wednesday 23th October.
